

KOOLPE

DR. HARVEY A., age 59, Oct. 18, 2007. Husband of Eileen (nee McCafferty), father of Rachel Koolpe, age 19, brother of Lynne (Dr. Burton) Mass. Son of the late Dr. Louis and Mildred Koolpe. Dr. Koolpe was an Interventional Radiologist at Albert Einstein Medical Center. A graduate of Franklin and Marshall College '69 and the University of Pennsylvania School of Medicine '73. Dr. Koolpe was the inventor of several catheters now widely used in the field of Interventional Radiology. He authored numerous papers for professional journals and books, among them Radiology, American Journal of Radiology, Archives of Surgery, The Radiologic Clinics of North America and The Journal of the American Medical Association and was invited as a guest speaker at national seminars. Dr. Koolpe had academic appointments at Temple University, Albert Einstein Medical Center and UMDNJ. The family requests that donations be sent to Franklin and Marshall College, P.O. Box 3003, Lancaster, PA 17604 (Attn: Bruce Ballestier, Development Office)
